DETAILED ACTION

1. Claims 1-24 are pending. Claims 1-8 and 17-24 are still withdrawn as drawn to a non-elected invention. The previous rejection is withdrawn pursuant to Applicant's September 8, 2004 and December 15, 2004 communications.

Claim Rejections - 35 USC § 103

2. Claims 9-16 rejected under 35 U.S.C. 103(a) as being unpatentable over Philippe et al. US 6,643,624.

Philippe discloses in a world wide web communication network, e.g. 45, the offering of products from multiple vendors by displaying a shopping cart representation at a receiving display station and transmitting to each of the web sites billing data of a user to buy the products, e.g. see col. 7, lines 30-60. Philippe does not specifically disclose loading into a shopping cart a plurality of representations. However, Philippe does disclose icon 242 that is used to add a product to a virtual check-out counter.

BuyWiz discloses loading into a shopping cart a plurality of representations for a plurality of products in a network environment. To have provided loading into a shopping cart a plurality of representations for Philippe would have been obvious to one of ordinary skill in the art in view of BuyWiz. The motivation for doing such would have been to implement common knowledge graphic display with the icon representations of Philippe. Similarly, depending claim language would have been an obvious implementation of common knowledge computer graphic technology, e.g. providing the ability of moving the icon to different web site pages, for Philippe, in view of BuyWiz.

3. Further pertinent references of interest are noted on the attached PTO-892.
4. Applicant's Information Disclosure Statement (IDS) has been reviewed. Note attached IDS.

Conclusion

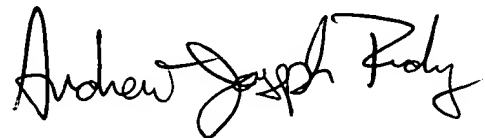

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
